

# Biosimilar Insulins CAUTION

## Insulins must be prescribed & administered by BRAND

**Insulin Glargine 100 units/ml** must be prescribed by brand Semglee<sup>®</sup>, Abasaglar<sup>®</sup> or Lantus<sup>®</sup>; all are **bioequivalent** & may be used interchangeably on a unit-per-unit basis but devices differ

1. Semglee<sup>®</sup> - new formulary first line biosimilar glargine (disposable pen only)

2. Abasaglar<sup>®</sup> - biosimilar glargine – patients using pen cartridge refills

3. Lantus<sup>®</sup> old brand leader used widely, useful for half units
